## Section 3 – External Auditor Report and Certificate 2021/22

In respect of

Westwell Parish Council – KE0331

### 1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

### 2 External auditor report 2021/22

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR.:

- The smaller authority has confirmed that it owns fixed assets, but that the recognition policy for those assets is to value them all at £Nil. This policy does not give a reader of the Accounting Statements the ability to draw any meaning from the Box 9 figures stated on the AGAR or to recognise any changes in those assets year to year. The Practitioners' Guide (the Guide) states that smaller authorities 'need to apply a reasonable approach to asset valuation which is consistent from year to year'. Under this range of possible approaches, all assets are expected to carry some value, however small. In particular, the Guide states that where assets are gifted at zero cost to the authority they should be recorded at a nominal value of £1. The smaller authority should therefore reconsider the valuation policy for all fixed assets and draw up a policy to be approved by the authority and recorded in both the authority's minutes and in the asset register. When submitting the 2022/23 AGAR, the smaller authority should ensure that the 2021/22 comparative figure in Box 9 is restated for consistency and comparability.
- The smaller authority needs to ensure that any reasonable valuation policy is consistently applied. The Fixed Asset Register should be reviewed and updated as needed.
- It was noted that Section 2, Box 9 for the prior year does not agree to the Fixed Asset Register.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has not been able to identify the difference between the gratuity amount paid to the clerk and the employment contract.

### 3 External auditor certificate 2021/22

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2022.
